

**Section**

- 7 **Commissioner's duty.** Requires the commissioner of commerce to meet certain public notice requirements for abandoned property and report to the legislature annually regarding the expenditure of funds under this section. Requires that the commissioner of commerce meet the public notice requirements through use of newspapers and mass media, but that costs cannot include costs to develop, maintain, or improve the Department of Commerce's website.  
Effective: This section is effective the day following final enactment.
- 8 **Public notice.** Provides that the commissioner of commerce must issue public notices of unclaimed property in several specific ways, including: posting a list on the Department of Commerce's website, publishing a list of owners whose abandoned property is valued at \$500 or more in qualified newspapers of general circulation in each county and on qualified newspapers' websites, and using other types of media to issue the notice. Also requires the commissioner to annually provide to each legislator a list of the owners of abandoned property who live in the legislator's district.  
Effective: This section is effective the day following final enactment.
- 9 **Claim for abandoned property paid or delivered.** Allows a person claiming an interest in property evidenced by a will or trust document, or court order, to submit to the commissioner only the parts of the document or order necessary to establish the claim, and makes such submissions nonpublic or private data.  
Effective: This section is effective the day following final enactment.
- 10 **[471.9998] Merchant bags.** Prohibits local governments from adopting ordinances that would prohibit merchants from providing customers paper, plastic, or reusable bags.  
Effective: This section is effective May 31, 2017. Invalidates ordinances enacted before the effective date.
- 11 **Existing deputy commissioners may serve until January 1, 2019.** Pursuant to the reduction of deputy directors authorized to serve in the Department of Commerce under section 1, existing deputy commissioners may service until January 1, 2019. Vacancies that occur in these positions prior to January 1, 2019 cannot be filled.
- 12 **Report on unclaimed property division.** Requires the commissioner of commerce to report by February 15, 2018, to the legislature regarding the process owners of abandoned property must comply with in order to file a claim. The report must include certain information.  
Effective: This section is effective the day following final enactment.

**Article 9: Telecommunications Policy**

- 1 **[237.01] Subd. 10. Voice-over-Internet protocol.** Definition.
- 2 **[237.01] Subd. 11. Internet protocol-enabled service.** Definition.
- 3 **[237.037] Voice-over-Internet protocol service and Internet protocol-enabled service.**

**Section**

**Subd. 1. Regulation prohibited.** Prohibits any regulation by a state agency of any aspect of VoIP or IP-enabled service, except as provided in this section.

**Subd. 2. VoIP regulation.** Specifies that, to the extent allowed under federal law, VoIP service is subject to Minnesota's surcharges for 911 emergency service, telecommunications access Minnesota (TAM, which provides devices to persons with communication disabilities to enable them to use a telecommunications service), and the telephone assistance plan (TAP, which subsidizes the phone bills of low-income persons). Requires VoIP providers to comply with federal requirements to provide access to 911 service and to report annually to the commission how that is accomplished.

**Subd. 3. Relation to other law.** Specifies that nothing in this section affects:

- the Minnesota Public Utilities Commission's jurisdiction over intrastate access rates and terms, dispute resolutions with respect to intercarrier compensation, wholesale telecommunications services; or
- the authority of local units of government with respect to the regulation of public rights-of-way.

**Subd. 4. Exemption.** Specifies that any IP-enabled video service, including cable TV video service, is not regulated by the state.

**Subd. 5. Preservation of existing landline telephone service.** Specifies that obligations of a telephone company to offer non-VOIP landline service is not affected by this section.

4 [237.417] **Personal information; prohibition.** Prohibits telecommunications or internet service providers having right-of-way or other agreements with the state of Minnesota or a political subdivision from selling or distributing personal information on a customer's use of the internet without the customer's express approval. Prohibits a search engine service, social media, or other web-based application from selling or distributing personal information on a customer's use of the internet without the customer's express approval.

5 [237.418] **Digital device microphone; conditions for remote access.** Establishes conditions under which a private entity at a remote location may activate a microphone in a digital device and transmit, store, and disclose the information obtained.

**Article 10: Energy Policy**

1 [3.8852] **Establishment.** Reduces the size of the Legislative Energy Commission from ten members from each body to five.

2 [16.323] **Subd. 1. Definitions.** Strikes the definition of the "Made in Minnesota" solar subsidy program, and amends other definitions regarding solar energy.

3 [116.03] **Subd. 7. Clean Air Act settlement money.** Prohibits the expenditure of Volkswagen settlement money unless appropriated by law.

## **S.F. No. 1937 - Omnibus Jobs, Economic Development, Energy, and Commerce Bill (Third Engrossment)**

**Author:** Senator Jeremy R. Miller

**Prepared By:** Carlon D. Fontaine, Senate Counsel (651/296-4395)

**Date:** April 18, 2017

---

### **Article 1 - Appropriations**

**Section 1 [Jobs and economic development appropriations]** specifies definitions of fiscal years.

**Section 2 [Department of Commerce]** provides appropriations to the Department of Commerce. See spreadsheet for details.

**Section 3 [Department of Employment and Economic Development]** provides appropriations for the Department of Employment and Economic Development. See spreadsheet for details.

**Section 4 [Department of Labor and Industry]** provides appropriations for the Department of Labor and Industry. See spreadsheet for details.

**Section 5 [Bureau of Mediation Services]** provides appropriations for the Bureau of Mediation Services. See spreadsheet for details.

**Section 6 [Public Employment Relations Board]** provides appropriations for the Public Employment Relations Board. See spreadsheet for details.

**Section 7 [Public Utilities Commission]** provides appropriations for the Public Utilities Commission. See spreadsheet for details.

**Section 8 [Workers' Compensation Court of Appeals]** provides appropriations for the Workers' Compensation Court of Appeals. See spreadsheet for details.

**Section 9 [Appropriation and transfer]** directs Xcel Energy to transfer \$10,000,000 in fiscal year 2018 from the renewable development account to the special revenue fund and then appropriates the amount to the commissioner of commerce for a onetime transfer to the Iron Range Resource and Rehabilitation Board for deposit in a business development fund for renewable energy manufacturing.

### **Article 2 - Commerce**

**Sections 1, 6, and 23 [Insurance fraud prevention account]** redirect \$1,300,000 a year that currently goes into the general fund from the auto theft prevention account to the insurance fraud prevention account. These sections are from S.F. 929 (Koran).

**Section 2 [Assessments]** provides that financial institutions assessment revenue is remitted to the commissioner for deposit in the financial institutions account.

**Section 3 [Financial institutions account]** creates the financial institutions account as a separate account in the special revenue fund. The account consists of assessments and examination fees on financial institutions and is annually appropriated to the commissioner.

**Section 4 [Fee]** raises the annual renewal fee for money transmitters from \$2,500 to \$3,030.

**Section 5 [Amounts]** increases the renewal fee for a mortgage originator's license from \$500 to \$780.

**Section 7 [Registration application and renewal filing fee]** increases the fee for a securities agent from \$50 to \$60.

**Section 8 [Dispute; resolution]** exempts rural electric cooperatives from the requirement to have the Public Utilities Commission (PUC) resolve disputes regarding net metering. Sections 8 to 10 are from H.F. 234 (Weber).

**Section 9 [Municipal electric utility]** exempts municipal utilities from the requirement to have the PUC resolve disputes regarding net metering.

**Section 10 [Cooperative electric association]** authorizes the board of directors of a rural electric cooperative to exempt it from regulation by the PUC with respect to net metering, provided the board does so by resolution and adopts rules implementing the net metering statute, including rules providing a process to resolve disputes. Terminates disputes pending before the commission.

**Section 11 [Solar energy standard]** makes the current solar energy standard of at least ten percent of the 1.5 percent goal to be met by solar energy from solar photovoltaic devices with a nameplate capacity of 20 kilowatts or less applicable to a public utility with more than 200,000 retail electric customers (applies to Xcel Energy only). Requires a public utility with between 50,000 and 200,000 retail electric customers (applies to Otter Tail Power and Minnesota Power) to meet at least ten percent of the 1.5 percent goal with solar energy from solar photovoltaic devices with a nameplate capacity of 40 kilowatts or less. Allows individual customer subscriptions of 40 kilowatts or less to a community solar garden program operated by the public utility to apply toward that goal. Sections 11, 13, and 14, are from S.F. 1649 (Ingebrigtsen).

**Section 12 [Staging and permitting]** extends the time period for site and route permits and water appropriation approvals to remain valid for an innovative energy project. This is from S.F. 584 (Tomassoni).

**Section 13 [Resource plan filing and approval]** requires a utility, when filing a resource plan with the PUC, to include the least cost plan for meeting 50 and 75 percent of all energy needs from both new and refurbished generating facilities (instead of capacity needs) through a combination of conservation and renewable energy resources. This section has an effective date of the day following final enactment, but would apply only to resource plans filed on or after July 1, 2017.

**Section 14 [Preference for renewable energy facility]** includes additional factors that the PUC must consider when making a public interest determination for approval or rate recovery for new or refurbished nonrenewable energy facilities. Requires the PUC to also consider impacts on local and regional grid reliability, utility and ratepayer impacts resulting from the intermittent nature of renewable energy facilities, and other utility and ratepayer impacts, in addition to the greenhouse gas reduction goals and the renewable energy and solar energy standards already required.

**Section 15 [Assessment for department regional and national duties]** extends the authorization for the Department of Commerce to assess energy utilities for department regional and national duties from June 30, 2017, to June 30, 2021. Reduces the amount that may be assessed for these activities from \$1,000,000 to \$500,000 per fiscal year.

**Section 16 [Multifamily residential dwelling]** adds a definition of multifamily residential dwelling. This is from S.F. 1088 (Pratt).

**Section 17 [Voice-over-Internet protocol service]** provides a definition of "Voice-over-Internet protocol service." Sections 11 to 13 are from S.F. 1742 (Ruud).

**Section 18 [Internet protocol-enable service]** provides a definition of "Internet protocol-enable service."

**Section 19 [Voice-over-Internet protocol service and Internet protocol-enabled service], subdivision 1 [Regulation prohibited]** prohibits any regulation by a state agency of any aspect of VoIP or IP-enabled service, except as provided in this section.

**Subdivision 2 [VoIP regulation]** specifies that, to the extent allowed under federal law, VoIP service is subject to Minnesota's surcharges for 911 emergency service, telecommunications access Minnesota, and the telephone assistance plan. Requires VoIP providers to comply with federal requirements to provide access to 911 service and to report annually to the PUC how that is accomplished.

**Subdivision 3 [Relation to other law]** specifies that nothing in this section affects:

- the PUC's jurisdiction over intrastate access rates and terms, dispute resolutions with respect to intercarrier compensation, and wholesale telecommunications services;
- the authority of local units of government with respect to the regulation of public rights-of-way; or
- the authority of the attorney general to enforce law governing consumer protections and trade practices.

**Subdivision 4 [Exemption]** specifies that any IP-enabled video service, including cable TV video service, is not regulated by the state.

**Subdivision 5 [Preservation of existing landline telephone services]** specifies that this section does not affect the obligations of a telephone company to offer landline telephone service that is not VoIP service.

**Section 20 [Assessment of costs related to providers of Voice-over Internet protocol service]** allows the Department of Commerce and the Public Utilities Commissioner to assess their regulatory costs directly related to implementation of section 237.037 with respect to providers of Voice-over-Internet protocol service. Caps the total assessment amount at actual regulatory costs in calendar years 2019, 2020, and 2021, or \$625,000 in calendar year 2019, \$925,000 in calendar year 2020, and \$1,200,000 in calendar year 2021.

**Section 21 [Personal information; prohibition]** prohibits a telecommunications or Internet service provider from collecting personal information from a customer as a result of the customer's use of the telecommunications or Internet service provider without the express written approval from the customer. Prohibits a telecommunication or Internet service provider from refusing to provide its services to a customer on the grounds that the customer has not approved collection of the customer's personal information.

**Section 22 [Weights and measures fees]** provides that ten percent of metrology and other fees must be credited to the petroleum inspection fee account.

**Section 24 [Residential PACE consumer protection legislation task force]** establishes a task force to develop recommendations for consumer protection legislation for residential PACE financing programs for single-family dwellings. Specifies membership and duties of the task force. Requires a report to the legislature to include any draft legislation necessary to implement the recommendations of the task force by January 15, 2018. Prohibits operation of residential PACE program for single-family dwellings until legislation is enacted establishing the consumer protections identified by the task force. This is from S.F. 1088 (Pratt).

**Section 25 [Repealer]** repeals a provision related to application and adjustment of financial institution fees.

### Article 3 – Labor and Industry

**Section 1 [Standards for dual training]** amends and clarifies the duties of the commissioner of labor and industry with regard to standards for dual training to require the commissioner to convene industry representatives, identify occupational competency standards, and provide technical assistance to develop dual-training programs. This is from S.F. 1846 (Senjem).

**Section 2 [Youth skills training program]** establishes a youth skills training program. Requires the programs to provide work-based skills training opportunities for students who are at least 16 years of age. Authorizes the commissioner of labor and industry to award grants to local programs. Provides requirements and parameters for local youth skills training programs. This is from S.F. 474 (Anderson, P).

151.10

## ARTICLE 9

151.11

## TELECOMMUNICATIONS POLICY

151.12 Section 1. Minnesota Statutes 2016, section 237.01, is amended by adding a subdivision  
151.13 to read:

151.14 Subd. 10. **Voice-over-Internet protocol service.** "Voice-over-Internet protocol service"  
151.15 or "VoIP service" means any service that (1) enables real-time two-way voice  
151.16 communications that originate from or terminate at the user's location in Internet protocol  
151.17 or any successor protocol, and (2) permits users generally to receive calls that originate on  
151.18 the public switched telephone network and terminate calls to the public switched telephone  
151.19 network.

151.20 Sec. 2. Minnesota Statutes 2016, section 237.01, is amended by adding a subdivision to  
151.21 read:

151.22 Subd. 11. **Internet protocol-enabled service.** "Internet protocol-enabled service" or  
151.23 "IP-enabled service" means any service, capability, functionality, or application provided  
151.24 using Internet protocol, or any successor protocol, that enables an end user to send or receive  
151.25 a communication in Internet protocol format or any successor format, regardless of whether  
151.26 that communication is voice, data, or video.

151.27 Sec. 3. **[237.037] VOICE-OVER-INTERNET PROTOCOL SERVICE AND**  
151.28 **INTERNET PROTOCOL-ENABLED SERVICE.**

151.29 Subdivision 1. **Regulation prohibited.** Except as provided in this section, no state  
151.30 agency, including the commission and the Department of Commerce, or political subdivision  
151.31 of this state shall by rule, order, or other means directly or indirectly regulate the entry,  
152.1 rates, terms, quality of service, availability, classification, or any other aspect of VoIP service  
152.2 or IP-enabled service.

152.3 Subd. 2. **VoIP regulation.** (a) To the extent permitted by federal law, VoIP service is  
152.4 subject to the requirements of sections 237.49, 237.52, 237.70, and 403.11 with regard to  
152.5 the collection and remittance of the surcharges governed by those sections.

152.6 (b) A provider of VoIP service must comply with the requirements of chapter 403  
152.7 applicable to the provision of access to 911 service by service providers, except to the extent  
152.8 those requirements conflict with federal requirements for the provision of 911 service by  
152.9 VoIP providers under Code of Federal Regulations, title 47, part 9. A VoIP provider is  
152.10 entitled to the benefit of the limitation of liability provisions of section 403.07, subdivision  
152.11 5. Beginning June 1, 2017, and continuing each June 1 thereafter, each VoIP provider shall  
152.12 file a plan with the commission describing how it will comply with the requirements of this

31.20

**ARTICLE 2**

31.21

**COMMERCE**

39.15 Sec. 17. Minnesota Statutes 2016, section 237.01, is amended by adding a subdivision to  
39.16 read:

39.17 Subd. 10. **Voice-over-Internet protocol service.** "Voice-over-Internet protocol service"  
39.18 or "VoIP service" means any service that (1) enables real-time two-way voice  
39.19 communications that originate from or terminate at the user's location in Internet protocol  
39.20 or any successor protocol, and (2) permits users generally to receive calls that originate on  
39.21 the public switched telephone network and terminate calls to the public switched telephone  
39.22 network.

39.23 Sec. 18. Minnesota Statutes 2016, section 237.01, is amended by adding a subdivision to  
39.24 read:

39.25 Subd. 11. **Internet protocol-enabled service.** "Internet protocol-enabled service" or  
39.26 "IP-enabled service" means any service, capability, functionality, or application provided  
39.27 using Internet protocol, or any successor protocol, that enables an end user to send or receive  
39.28 a communication in Internet protocol format or any successor format, regardless of whether  
39.29 that communication is voice, data, or video.

40.1 Sec. 19. **[237.037] VOICE-OVER-INTERNET PROTOCOL SERVICE AND**  
40.2 **INTERNET PROTOCOL-ENABLED SERVICE.**

40.3 Subdivision 1. **Regulation prohibited.** Except as provided in this section, no state  
40.4 agency, including the commission and the Department of Commerce, or political subdivision  
40.5 of this state shall by rule, order, or other means directly or indirectly regulate the entry,  
40.6 rates, terms, quality of service, availability, classification, or any other aspect of VoIP service  
40.7 or IP-enabled service.

40.8 Subd. 2. **VoIP regulation.** (a) To the extent permitted by federal law, VoIP service is  
40.9 subject to the requirements of sections 237.49, 237.52, 237.70, and 403.11 with regard to  
40.10 the collection and remittance of the surcharges governed by those sections.

40.11 (b) A provider of VoIP service must comply with the requirements of chapter 403  
40.12 applicable to the provision of access to 911 service by service providers, except to the extent  
40.13 those requirements conflict with federal requirements for the provision of 911 service by  
40.14 VoIP providers under Code of Federal Regulations, title 47, part 9. A VoIP provider is  
40.15 entitled to the benefit of the limitation of liability provisions of section 403.07, subdivision  
40.16 5. Beginning June 1, 2017, and continuing each June 1 thereafter, each VoIP provider shall  
40.17 file a plan with the commission describing how it will comply with the requirements of this

40.18 paragraph. After its initial filing under this paragraph, a VoIP provider shall file with the  
40.19 commission either an update of the plan or a statement certifying that the plan and personnel  
40.20 contact information previously filed is still current.

40.21 Subd. 3. **Relation to other law.** Nothing in this section restricts, creates, expands, or  
40.22 otherwise affects or modifies:

40.23 (1) the commission's authority under the Federal Communications Act of 1934, United  
40.24 States Code, title 47, sections 251 and 252;

40.25 (2) any applicable wholesale tariff or any commission authority related to wholesale  
40.26 services;

40.27 (3) any commission jurisdiction over (i) intrastate switched access rates, terms, and  
40.28 conditions, including the implementation of federal law with respect to intercarrier  
40.29 compensation, or (ii) existing commission authority to address or affect the resolution of  
40.30 disputes regarding intercarrier compensation;

40.31 (4) the rights of any entity, or the authority of the commission and local government  
40.32 authorities, with respect to the use and regulation of public rights-of-way under sections  
40.33 237.162 and 237.163;

41.1 (5) the establishment or enforcement of standards, requirements or procedures in  
41.2 procurement policies, internal operational policies, or work rules of any state agency or  
41.3 political subdivision of the state relating to the protection of intellectual property; or

41.4 (6) the authority of the attorney general to apply and enforce chapters 325C to 325G  
41.5 and 325K to 325M or other laws of general applicability governing consumer protection  
41.6 and trade practices.

41.7 Subd. 4. **Exemption.** The following services delivered by IP-enabled service are not  
41.8 regulated under this chapter:

41.9 (1) video services provided by a cable communications system, as defined in section  
41.10 238.02, subdivision 3;

41.11 (2) cable service, as defined in United States Code, title 47, section 522, clause (6); or

41.12 (3) any other IP-enabled video service.

41.13 Subd. 5. **Preservation of existing landline telephone service.** Nothing in this section  
41.14 restricts, creates, expands, or otherwise affects or modifies the obligations of a telephone

153.12 company under this chapter to offer landline telephone service that is not Voice-over-Internet

153.13 protocol service.

153.14 Sec. 4. [237.417] PERSONAL INFORMATION; PROHIBITION.

41.28 Sec. 21

153.15 Subdivision 1. Definitions. (a) For the purposes of this section, the following terms have

153.16 the meanings given them.

153.17 (b) "Covered entity" means an entity, including a search engine service, social media,

153.18 or other Web-based application, that collects personally identifiable information from a

153.19 consumer by means of the Internet.

153.20 (c) "Express approval" means an affirmative act of the consumer provided in writing or

153.21 by electronic means. The affirmative act providing express approval must be made in a

153.22 separate document or form that contains no approval by a consumer of any other contractual

153.23 provision.

153.24 (d) "Internet service provider" has the meaning given in section 325M.01, subdivision

153.25 3.

153.26 (e) "Minnesota facilities" means the facilities of a telecommunications or Internet service

153.27 provider covered by or subject to a franchise agreement, right-of-way agreement, or other

153.28 contract with the state of Minnesota or a political subdivision.

153.29 (f) "Personally identifiable information" means information that identifies:

153.30 (1) a consumer by physical or electronic address or telephone number;

- 41.15 company under this chapter to offer landline telephone service that is not Voice-over-Internet  
41.16 protocol service.
- 41.17 Sec. 20. Minnesota Statutes 2016, section 237.295, is amended by adding a subdivision  
41.18 to read:
- 41.19 Subd. 2a. Assessment of costs related to providers of Voice-over-Internet protocol  
41.20 service. The department and the commission may assess their actual regulatory costs directly  
41.21 related to implementation of section 237.037 with respect to providers of Voice-over-Internet  
41.22 protocol service. The total amount that may be assessed to all providers of  
41.23 Voice-over-Internet protocol service under this subdivision shall not exceed the lesser of  
41.24 either the department and commission's actual regulatory costs directly related to  
41.25 implementation of this section in calendar years 2019, 2020, and 2021, or \$625,000 in  
41.26 calendar year 2019, \$925,000 in calendar year 2020, and \$1,200,000 in calendar year 2021,  
41.27 respectively.
- 41.28 Sec. 21. [237.417] PERSONAL INFORMATION; PROHIBITION.

154.1 (2) a consumer as having requested or obtained specific materials or services from an  
154.2 Internet service provider;

154.3 (3) Internet or online sites visited by a consumer; or

154.4 (4) any of the contents of a consumer's data-storage devices.

154.5 (g) "Telecommunications service provider" has the meaning given in section 237.01,  
154.6 subdivision 6b.

154.7 Subd. 2. **Service provider; prohibition.** A telecommunications or Internet service  
154.8 provider that has entered into a franchise agreement, right-of-way agreement, or other  
154.9 contract with the state of Minnesota or a political subdivision may not sell, share, or otherwise  
154.10 distribute personally identifiable information from a consumer, or use such information for  
154.11 direct advertising or other content, without express approval from the consumer.

154.12 Subd. 3. **Covered entity; prohibition.** A covered entity may not sell, share, or otherwise  
154.13 distribute personally identifiable information from any Minnesota consumer, or use such  
154.14 information for direct advertising, without express approval of the consumer if the covered  
154.15 entity used Minnesota facilities to obtain personally identifiable information from any  
154.16 Minnesota consumer, even if the covered entity was not a party to a contract with the state  
154.17 of Minnesota at the time the personally identifiable information was obtained. This provision  
154.18 applies to personally identifiable information obtained from any Minnesota consumer, even  
154.19 if the personally identifiable information was not obtained through the use of Minnesota  
154.20 facilities.

154.21 **EFFECTIVE DATE.** This section is effective the day following final enactment.

154.22 Sec. 5. **[237.418] DIGITAL DEVICE MICROPHONE; CONDITIONS FOR REMOTE**  
154.23 **ACCESS.**

154.24 Subdivision 1. **Definitions.** (a) For the purposes of this section, the terms in this  
154.25 subdivision have the meanings given them.

154.26 (b) "Digital device" means a smartphone, tablet, television, computer, car, toy, home  
154.27 appliance, or any other device that contains a microphone that can be activated remotely  
154.28 by a private entity without the knowledge of the user and can transmit sound from the  
154.29 location of the digital device to a remote location where it can be recorded and stored.

41.29 No telecommunications or Internet service provider that has entered into a franchise  
41.30 agreement, right-of-way agreement, or other contract with the state of Minnesota or a  
41.31 political subdivision, or that uses facilities that are subject to such agreements, even if it is  
41.32 not a party to the agreement, may collect personal information from a customer resulting  
42.1 from the customer's use of the telecommunications or Internet service provider without  
42.2 express written approval from the customer. No such telecommunication or Internet service  
42.3 provider shall refuse to provide its services to a customer on the grounds that the customer  
42.4 has not approved collection of the customer's personal information.

42.5 **EFFECTIVE DATE.** This section is effective the day following final enactment.

- 154.30 (c) "Private entity" means any individual, partnership, corporation, limited liability  
154.31 company, association, or other group, however organized. "Private entity" does not include  
154.32 a state or local government agency.
- 155.1 (d) "User" means a person who purchases, leases, or otherwise regularly uses a digital  
155.2 device.
- 155.3 Subd. 2. **Digital device microphone; requirements for access.** No private entity may  
155.4 activate or enable, cause to be activated or enabled, or otherwise use a digital device's  
155.5 microphone to listen to, transmit, store, or disclose information unless it first:
- 155.6 (1) informs the user in writing that the microphone in the user's digital device will be  
155.7 activated, enabled, or used by the private entity;
- 155.8 (2) informs the user in writing of the frequency and length of time the microphone will  
155.9 be activated, enabled, or used by the private entity;
- 155.10 (3) informs the user in writing of the specific categories of information the microphone  
155.11 will be listening for, transmitting, and storing;
- 155.12 (4) informs the user in writing of the specific purpose for which the information will be  
155.13 collected, used, or stored, and to whom it may be disclosed; and
- 155.14 (5) receives the informed, written consent of the user, including through electronic  
155.15 means, or the user's authorized agent, representative, or guardian, that:
- 155.16 (i) is in a form distinct and separate from any form setting forth other legal or financial  
155.17 obligations of the user;
- 155.18 (ii) is given in advance of the time the microphone is activated, enabled, or used; and  
155.19 (iii) runs for a specified period of time or until consent is withdrawn by the user,  
155.20 whichever is sooner.
- 155.21 Subd. 3. **Prohibitions.** The provisions of this section may not be waived by a user or  
155.22 private entity. Any agreement that does not comply with the applicable provisions of this  
155.23 section is void and unenforceable.
- 155.24 **EFFECTIVE DATE.** This section is effective the day following final enactment.
